

A MAP OF MALDON SHOWING BARGE QUAY & PARKING

Follow the brown tourist signs to HYTHE QUAY.

CENTAUR and PUDGE will be alongside Hythe Quay, in the right hand tier furthest away from the pubs. Just go straight on board, no 'permission' required.

You can drive onto the quay to unload , but you must then find somewhere else to park, usually in DOWNS ROAD, at your own risk.

If you need a postcode for Satnav, use CM9 5HN, but don't drive into the river.
